The Strategic Marketing Process

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

Marketing strategy - Wikipedia

Basic Approach to Strategic Planning. A critical review of past performance by the owners and management of a business and the preparation of a plan beyond normal budgetary horizons require a certain attitude of mind and predisposition.

3 completed, but few results seen. The strategic staffing process then becomes solely staff driven, or worse yet, disappears completely. More Effective Approaches to Strategic Staffing

Developing Staffing Strategies That Work: Implementing

Benchmarking improves performance by identifying and applying best demonstrated practices to operations and sales. Managers compare the performance of their products or processes externally with those of competitors and best-in-class companies, and internally with other operations that perform similar activities in their own firms.
