Some religions claim that praying for somebody who is sick can have positive effects on the health of the person being prayed for. Meta-studies of the literature in the field have been performed showing evidence only for no effect or a potentially small effect. For instance, a 2006 meta analysis on 14 studies concluded that there is "no discernible effect" while a 2007 systemic review of ...

Who are Paralegals? Paralegals assist lawyers in the delivery of legal services. The career began to develop in the late 1960's when law firms and individual practitioners sought ways to improve the efficient and cost-effective delivery of legal services. Utilization of paralegals in a law firm ultimately reduces the cost to the client and frees time for attorneys.
