Basics of Aircraft Market Analysis

Market development is a Know growth strategy that identifies and develops new market segments for current products. A market development strategy targets non-buying customers in currently targeted segments. It also targets new customers in new segments. A market development strategy entails expanding the potential market through new users or new uses.

Table 1 shows a 29 position lower rank of the country in 2004 as compared to the 2003 report where the country was appreciated for the availability of information. This may be caused by technical reasons and by the construction of websites and portals. The readiness index had gone down by 18.9%. The web measure index had gone down by 80.9%.

Diversification is a corporate strategy to enter into a new market or industry in which the business doesn't currently operate, while also creating a new product for that new market. This is the most risky section of the Ansoff Matrix, as the business has no experience in the new market and does not know if the product is going to be successful. ...
