Great Railway Journeys, originally titled Great Railway Journeys of the World, is a recurring series of travel documentaries produced by BBC Television. The premise of each programme is that the presenter, typically a well-known figure from the arts or media, would make a journey by train, usually through a country or to a destination to which they had a personal connection.

6. Summary: Organizations must create omnichannel UX strategies that optimize the end-to-end user experience of completing a task across devices and interaction channels. Last weekend I flew out of town for a quick get-together with friends. On my way home I started to think how differently I fly these days.
