At first, I was confused. I had just spent hours telling them everything they need to do it right. But after thinking about it, I realized the question was rooted in a deeper need to guide and evaluate what is often a set of subjective choices – choices that are sometimes made by a lot of different people at different times.

John Singleton Copley [pronunciation?] RA (1738 – September 9, 1815) was an Anglo-American painter, active in both colonial America and England. He was probably born in Boston, Massachusetts, to Richard and Mary Singleton Copley, both Anglo-Irish. He is famous for his portrait paintings of wealthy and influential figures in colonial New England, depicting in particular middle-class subjects.

A mind map is a diagram used to visually organize information. A mind map is hierarchical and shows relationships among pieces of the whole. It is often created around a single concept, drawn as an image in the center of a blank page, to which associated representations of ideas such as images, words and parts of words are added.
