The men's rights movement (MRM) is a part of the larger men's movement. It branched off from the men's liberation movement in the early 1970s. The men's rights movement is notably anti-feminist and made up of a variety of groups and individuals who focus on numerous social issues (including family law, parenting, reproduction, domestic violence against men and opposition to circumcision) and ...

Education in Japan is compulsory at the elementary and lower secondary levels. Most students attend public schools through the lower secondary level, but private education is popular at the upper secondary and university levels.. Education prior to elementary school is provided at kindergartens and day-care centers. Public and private day-care centers take children from under age 1 on up to 5 ...
