Take to the Skies. Every day, millions of people board flights bound for destinations across the United States and around the globe. Unfortunately, navigating sprawling airports and negotiating cramped planes makes traveling by air an uncomfortable experience for most passengers, and it can prove to be downright daunting for those with mobility challenges and other disabilities.

Love it Sharon!! We need some kids to obsess over science in the same way that they obsess over video games. Get them hooked. Get them making things (licit things mind you) in their basements/garages/bedrooms. *Rocket Boys* is a great novel (non-fiction) about a couple of kids in West Virginia who got really interested in rockets and started making some really sophisticated things.

Do you know the best way to print out a book (not booklet) on an auto duplex printer if I intend to have 5.5—8.5 pages? I can get it to work with the program Clickbook, however when I try to do it with a pdf program, the duplex feature will reverse the pages on the back side, as the program thinks you will be turning the pages from one of the edges, NOT from folding down the middle like a ...
