Collecting is a practice with a very old cultural history. In Mesopotamia, collecting practices have been noted among royalty and elites as far back as the third millennium, B.C.E. The Egyptian Ptolemaic dynasty collected books from all over the known world at the Library of Alexandria. The Medici family, in Renaissance Florence, made the first effort to collect art by private patronage, this ...

Collecting strategy of the Al-Thani family Active members of the royal family. Several members of the Al-Thani family initially led Qatar's interest and involvement into the field of arts and continue to embody and shape the cultural policy of the country. For William Lawrie, previously Head of International Modern Contemporary Arab and Iranian Art at Christie's, "Qatar's royal family are ...

The Archive of Art and Design (AAD) was established in 1978 to house the V&A's growing holdings of archival material. It collects, conserves and makes available for research the archives of individuals, associations and companies involved in any stage of the art and design process. These include collections that have been used or built up by artists and designers in the course of their work.

What is Provenance? Every work of art carries with it not only the history of its creator, but of its owners as well. Provenance "the record of ownership for a work of art" provides important documentation explaining who, at various points in history, owned the painting, sculpture or artifact at hand. This is an especially important issue for museums, who pay careful attention to provenance ...
