

the art of public pdf

Public art is art in any media that has been planned and executed with the intention of being staged in the physical public domain, usually outside and accessible to all. Public art is significant within the art world, amongst curators, commissioning bodies and practitioners of public art, to whom it signifies a working practice of site specificity, community involvement and collaboration.

Guerilla sculpture is the placement of sculptures in street settings without official approval; it developed from street art in England in the late 20th century. In addition to the nontraditional setting of the works of art involved, there are also many different techniques used in the creation of this art work.
