Therapeutic landscapes and wellbeing in later life: Impacts of blue and green spaces for older adults

Therapeutic landscapes and wellbeing in later life

Introduction. This website presents academic research articles on the early history of photography published by R. D. Wood between 1970 and 2008.

Midley History of early Photography:

Market segmentation is the activity of dividing a broad consumer or business market, normally consisting of existing and potential customers, into sub-groups of consumers (known as segments) based on some type of shared characteristics. In dividing or segmenting markets, researchers typically look for common characteristics such as shared needs, common interests, similar lifestyles or even ...
